

Workshop on Modeling of Biological Systems

April 16 and 23, 2019

2 pm - 6 pm

Institute of Chemical Technology, Mumbai

Topics to be covered

- Quantification of genetic and signaling networks
- Quantification of metabolic fluxes
- Dynamic modeling strategies

Open to all students

To register, mail synbiolabworkshop@gmail.com by April 14, 2019

Registration fee: Rs. 200, to be paid by April 15, 2019 after confirmation of registration
